A message from our pastor

Jim Christian

We are a welcoming community of believers committed to making our rich heritage in this community a source of insight and inspiration for ministering to 21st century people and the varied needs.

First Lutheran Church is dedicated to helping you and your loved ones build and nurture a living relationship with Christ and his body, the Church. I hope that this brochure will be helpful in introducing you to our community. The best introduction, though, is the opportunity to offer you a personal greeting. You are welcome to join us at worship and in ministry.

If we may be of any assistance in meeting your needs or answering your questions, please feel free to contact us. We hope to see you soon!

May God's blessing be with you.

Pastor Jim Christian
